

SHINE IN THE DARK COMMISSION

MISSION SUMMARY

As Disciples unto Our Lord Jesus ... we are committed to
daily - build character, and to promote love,
harmony, consideration, respect and accountability
for our fellow brother and sister ...
to apply appropriate and responsible behavior
in promoting the healing and restoration of our souls
so that we will all become over-comers and gain the victory God intends.

We strive to live **whole-hearted** unto God
and to support our brothers and sisters in doing the same.
The harvest is truly great. We've been to the fields and seen it.
Those committed to labor are few, and the work is plenty;
He is continually telling us all to "Go, Go ... Go ..."
so we make ourselves available to "Go" continuously ...
to the streets, homeless, neighborhoods, projects, malls,
senior centers, hospitals, handicap centers,
orphanages, classrooms, and prisons ...
locally and around the world,
sharing the Good News of what God has done for us and what
He can and will do for those who choose to call Him Father and Friend.

Jesus gave His life to redeem us,
and we only desire to deny ourselves, take up our crosses,
and follow Him ... sharing His love in this dark world.
Throughout the year, during every season,
God presents many opportunities to "Go" in creative, loving ways ...
and to plug into various ministry/missionary activities.
It's not just about the ideas God has given us individually,
but to support and be involved in the ministry work
God has given our brothers and sisters to do.
The harvest is much too great for one man to
think he can conquer the world by himself.
God intends a Body, His Body, to work "together" to accomplish His goals.

We pray that He will send more laborers ...
that we, as Christians, would not live like the world serving mammon,
living in idolatry, serving ourselves, and our lusts ...
to surrender and commit to serve God **wholly**,
to truly know Him,
ministering His word and His touch ...
healing the world - one life, one soul at a time.

Sometimes we are called to be leaders, and sometimes to follow;
but we must all attempt to do all, as unto Him, to whom we owe all,
as the humblest of servants amongst wolves in a dark world.

Because He first loved us, while we were still sinners,
we love Him back ...
as whole-heartedly as we are capable of understanding Him today.
